Chair Watson called the executive session of the School Committee to order at 8:07 PM and immediately turned the meeting over to Superintendent Pandiscio. Members Leith and Nunnari will not need to recuse themselves from this executive session as the discussion is budget related rather than staff related. The Superintendent called the Committee's attention to his confidential memorandum, dated February 23, 2009 (attachment 1). The Superintendent has been meeting with the WREA negotiating team and he has discussed the District's fiscal situation with those representatives. The Superintendent walked the Committee through the attachments to his February 23rd memorandum, explaining each proposal. Following the Superintendent's presentation, Chair Watson asked if he would be looking for School Committee action at this meeting, to which the Superintendent answered he is not looking for action at this time, he just wanted to keep the Committee apprised of the situation.
