Chair Leith called the executive session of the School Committee to order at 9:05 PM. Members were provided with copies of the draft minutes of executive session II held on February 12, 2013, including attachments. The draft minutes were reviewed. The attachments to the draft minutes were reviewed, with note being made of places where identifying words had not been redacted from the documents. Chair Leith read aloud the February 21, 2013 letter from District Counsel Leo McCabe (attachment 1). Member Watson questioned how Mr. Robert Becker's letter had been responded to. District Counsel will be consulted before any response is issued, according to Chair Leith. Question was raised about names of individuals that appear on the "Facebook page" of the attachment to the minutes and if those names should be redacted. Chair Leith will consult with District Counsel. Reference to any members' children will be redacted from the attachments of the draft minutes. The full School Committee will meet in executive session at a future meeting to continue review and approval of the draft minutes of the February 12, 2013 executive session II.

The minutes of the February 12, 2013 executive session II are not to be released until approved by the School Committee at a future meeting.
