As you know, CTMS has been working with Mrs. Briggs' math class collecting pull tabs from aluminum cans all year long. We would like to encourage everyone to make a final push to collect tabs and turn them in before the end of the year. The winning homeroom that has collected the most tabs will get a special treat during the last week of school.

Starting Monday we will be having a "Guess how many pull tabs are in our stop light contest" next week. You may make a guess for \$.50 or make 3 guesses for \$1.00. The money will go toward the homeroom treats and the prize for the winning guess. Guess tickets will be sold during lunches next week.

Remember the money goes to buy supplies and equipment for the Shriner's Hospital in Boston and Springfield.

Remember your efforts to  
**SAVE A TAB WILL HELP A CHILD!**
