Dear Parents/Guardians,

Wednesday, September 29th is our annual *Open House* for parents. *Open House* is an opportunity to meet your child's teachers and to learn about our curricula and programs. It is also an opportunity to learn about individual class expectations and curriculum. *If you have questions or concerns about your child's performance, please feel free to contact your child's teacher(s) via phone or email.*

Your evening will begin with a greeting from Margaret Morgan, Principal, and a meeting with the Related Arts & Sciences Team. You will then proceed to your child's homeroom where you will pick up your child's schedule and start the rotation of classes.

We are pleased to inform you that we are still able to provide access to your student's grades and attendance via the Internet for grades 6-8. Parent Access will be available beginning Friday, September 25th. Please refer to the back of this letter for further information, which includes your personal/confidential access information. (Mrs. Sabacinski, Asst. Principal, will be available during *Open House* to address any Parent Access questions or concerns.)

We look forward to seeing you on Wednesday, September 29th.

Sincerely,
The Chocksett Faculty
