Dear Parent(s)/ Guardian(s) of 5th and 6th grade students,

This letter is an invitation to attend, with your child, an evening of information and discussion regarding the physical changes associated with puberty. Attendance at this presentation is strictly voluntary and all students who attend must have at least one parent present to participate.

Dr. Dean Morrel will present this discussion on Tuesday, December 7, 2010 in the Chocksett Little Theater. He will meet with grade 5 and 6 girls/parents from 6:30 to 7:30 P.M. and Grade 5 and 6 boys/parents from 7:45 to 8:45 P.M. Our School Nurse, Ms. Judy Hopkins will also be in attendance.

We do hope you will take advantage of this opportunity and share an important night with your child as they begin to understand the changes they are already encountering or are about to encounter.

Best regards,

Elizabeth Sabacinski, Assistant Principal
