

# Don't Forget...

We're still collecting box tops and labels! It's a great way to help raise money for our school with little to no effort! Get the children involved – they love cutting out the labels, sorting them, and counting them. It's also a great way for grandparents and other family members to get involved, so be sure to ask them to help collect as well!

You may think your small number of box tops and soup labels won't make a difference, but added together, we received **over \$1,000** in cash from these programs in the past.

We've also included Tyson Food labels with our fund raising programs. You may have seen the Project A+ labels on Tyson products already, but did you know that for each label turned in, Davis Hill receives **24 cents**?

Each classroom has a receptacle for the labels and box tops so just send them to school with your child. If you have any questions on which part of the label to cut out, please call Kate Larson at 508-829-6294 for more information.

### Tyson Products:

Clip and send in the label with the "Project A+ for schools." Be sure to send in the entire label. And don't forget, Davis Hill gets 24 cents per label!

### V-8 Products:

Save label with UPC code.

### Franco-American Products:

Save outer label of cans.

### Swanson Products:

Save outer label of canned broths and chicken only.

### Pepperidge Farm Products:

Save UPC codes.

### Prego Products:

For Pasta Sauces 14-28 oz., save the outer label. For Pasta Sauces 46 oz. or larger and Pasta Bake Sauces, save the lid.
