Mr. Mark Aucoin, Principal

ph: (508) 829-1754

Dear Principal Aucoin:

As requested, this letter verifies that Ecology Education, Inc. (or “EEI” doing business as “Ferry Beach Ecology School”) is an independent 501(c)(3) nonprofit educational organization, #01-0522241. EEI leases the Ferry Beach Park Association (FBPA) summer conference facility campus for the spring and fall term residential science programs that it offers to public schools throughout New England.

EEI has no relationship to FBPA (and the Unitarian-Universalist Church which it is affiliated with) beyond renting the facilities in the off season and year-round office space and providing limited science & ecology programs throughout the year.

Please let me know if you need any additional information.

Sincerely,  
Drew Dumsch
