## Good Reads-

*Alphabet Mystery*  
*Whoever You Are*  
*I Like Me*

## Ask Me.....

~How to make the letters f, n, and m-  
boy did I work hard on my handwriting  
this week!

~About the Eye Graph we did...

~About the All About Me book I am  
making in my Star Team group. It will be  
coming home soon but still needs some  
work.

~About the Class Rules poster we put  
together and signed.

~ About how I greeted my friends with a  
COMPLIMENT! I can tell you what that is  
and give you one, too!

~ About the shapes we are learning-  
square, circle, triangle, and rhombus. We  
even greet each other using our shapes!

~ About our Rhyming Dance-we clap when  
we hear rhymes, and shake our heads NO  
when we don't! It's fun!

Our PM Class practiced a "lockdown" on  
Thursday and did a great job! Good Job  
to both classes!

## Vision and Hearing Screenings this coming week!

The AM class will be having their vision and  
hearing screening on Tuesday and the PM  
class will have theirs on Wednesday.

## Thank you!

Thank you, again, for the kind donations of  
baggies, tissues, wipes, post-its, etc. Also, a  
big thank you to the families who took the  
time to cut out all of those colored shapes  
for us. THANK YOU SO MUCH!

We are in need of Clorox Wipes for the  
coming weeks.

*In an attempt to save paper (and money)  
I am interested in seeing if I can get an  
email from everyone so that this  
newsletter can be distributed via email.  
Feel free to let me know if this will not  
work for you. I would appreciate your  
help-*

I am going to be out this coming  
Tuesday and Wednesday. I will be telling  
the kids on Monday so they are aware.
