

Welcome to Mrs. Morrissey's Class!

I am looking forward to a terrific year with all of you! We have many incredible adventures planned for this year.

Beginning our year with friendship, we will take turns learning about each child in the class. Every student will have a turn to bring home a sharing bag. Please help your child decide what to put in. You may also want to help him/her to practice what they may want to say to the class about their special item(s).

In Science, our first unit is on Ladybugs. I know your second grader will want to share all the details with you on the life cycle of a ladybug!

Eric Carle will be our first author study. If you have Eric Carle stories you would like to share, please feel free to bring them in to school.

Our Curriculum Night will be announced soon. More information will be coming home as we get closer.

I am really looking forward to this year with all of you! I hope you had a peaceful summer and are as excited to be back to school as I am!

Sincerely,

Ms. Morrissey
