

DAWSON SCHOOL PET FOOD DRIVE

In this holiday season the Dawson IALAC theme is GENEROSITY and in that spirit the students of Dawson and their families are invited, with coordination of the Health Office, to donate pet food for the Wachusett Food Pantry.

In these difficult economic times it has been found that some families can not afford to feed their pets. Those of us who have pets know how much they mean to us and how much an important part of our families they are. And for some people their pets are their only family.

Students can show their IALAC spirit by bringing in pet food (dog, cat, bird, fish, etc.) beginning Monday January 4th through Friday January 29th. These items will be collected in the Health Office. Pet Toys are also appreciated.

Any brand name, any size can will be appreciated and bags of dry food should be of the smaller size as they will be easier to carry for the older person.

Thank you, in advance, for your support of this Dawson community service based on our IALAC theme of GENEROSITY.

Wishing you all the happiest and healthiest of Holiday Seasons.
