

August 30, 2011

Dear Parents,

Welcome to 3M! I hope that you had a great summer and are ready for another great year at Dawson School. I am greatly looking forward to working with you and your third grader this year.

This month, the third grade team will be hosting the third grade curriculum night. On this night, you will see your child's classroom and receive an overview of the subjects, and skills that we will be working on this year. I will also be discussing my expectations, my homework policy, and classroom policy. Also, be prepared to let me know if you are available to be a classroom volunteer. I need parents to copy weekly and parents to help in the mornings during our daily tutorial time.

In order to keep in communication with you, I will be sending home a weekly newsletter. On this newsletter, you may find the weekly class specials, homework assignments, the weekly spelling list, and reminders about school events and class projects.

Tonight, we have our first homework assignment. It is something that should take no more than a few minutes. Please check the assignment and then initial the plan book. The plan book does not need to be initialed every night, but homework should be reviewed. Also, review the homework policy with your third grader and sign and return the slip attached.

I look forward to meeting with you!

Sincerely,

Mrs. Julie Marzo
