

Reading Questions

Use these questions to guide conversations about the book your child is reading.

- What genre are you reading?
- Can you give me a retell of the story so far?
This includes the title, setting, problem, solution (if completed the book), and important events.
- Are there any words that you couldn't read or didn't know what they meant? How did you fix this problem?
- What are some images that you had? Describe them to me. Images should include what they saw, felt, tasted, smelled, and heard. These should be detailed explanations.
- Tell me about the main character. What traits describe this character? Use details from the story to explain why you picked those traits.
- What kinds of connections have you made so far? How has this helped you understand the story
Text to Text – Text to Self – Text to World –kinds of connections
- What is your favorite part?
- Why do you like this book?

Make sure the students are restating their questions. 😊
