

High School Special Education Programs and Tour of Facilities

Date: December 11, 2018 6pm at the Wachusett Regional High School

Meeting Purpose:

The high school staff has graciously agreed to give us an overview of all the special education programming they have available at the High School. The presentation will be approximately 40 minutes, and then they will provide a 20 minute tour of their facilities. All Middle School parents of children in the Special Education program classrooms are encouraged to attend this event.
