

**Grade Seven Summer Reading List**  
**Mrs. Cote**  
**Summer 2006**

This is a list for your summer reading enjoyment. You are required to read **TWO** books and they must be new to you. Earn extra credit by reading more books. You may read any book from the following list; or you may read any book written by the authors recommended by the seventh grade language arts teachers. You need to complete one of the attached outlines for EACH book you read. You must bring the outlines to school in September. Do not write a book report; just complete the outlines to help remember what you have read. Hope you have a great summer!

<i>The Whipping Boy</i>	by Sid Fleischman
