

# Wachusett Regional School District

Holden, Paxton, Princeton, Rutland, Sterling

To: Members of the Wachusett Community  
From: Thomas G. Pandiscio, Ed.D., Superintendent of Schools  
Date: October 22, 2009

The Wachusett Regional District School Committee is interested in reaching out to the community in order to provide information related to upcoming meetings and/or the release of approved minutes of School Committee meetings. To that end, the School Committee has asked that I seek either email addresses of interested community members in order to regularly provide the following information:

- School Committee agendas for regular and special School Committee meetings;
- Notification of the approval of School Committee minutes with information as to where the minutes can be found on the District's website

The administration will provide an email to those individuals who have enrolled with the District informing them that the agenda for an upcoming regular or special School Committee meeting is now available and from where they may download the agenda. In addition, following regular School Committee meetings, interested individuals will be provided an email informing them of the approval of School Committee minutes and from where the minutes can be downloaded.

For those community members who do not wish to receive information electronically, the District provides a calendar on the reverse side of this notice with information regarding the dates of regularly scheduled School Committee meetings, the dates that the agendas will be available and the dates that School Committee minutes will be available. Agendas and minutes are available through the local schools or at the District Central Office.
