## Wachusett Regional School District Kindergarten Registration

Dear Parents/Guardians:

Parents of children who will reach their fifth birthday on or before August 31<sup>st</sup>, should register their child/children for enrollment into Kindergarten for the upcoming school year.

All Kindergarten Registration materials are provided in the documents that follow. Parents who cannot access Kindergarten Registration forms through the district web-site can obtain the necessary forms for kindergarten registration as well as the kindergarten lottery at any of the elementary schools in the district. Parents should complete the entire packet and then submit it to the child's school for enrollment for the upcoming school year.

At the time of registration, parents are reminded that they are required to provide their child's notarized birth certificate, a current list of immunizations completed by the child's physician as well as proof of vision, hearing and lead screenings. These screenings results are documented by the child's physician on the Massachusetts School Health Records-Health Care Provider's Examination form attached to this packet. Parents who have any questions should call the main office of the appropriate school in the district.

Please contact the school nurse if your child has specific medical conditions or concerns that may require a parent conference.

For your convenience, a listing of the schools in the Wachusett District is provided below:

## Residency Protocol and Enrollment

In order to attend schools in the Wachusett Regional School District, a student must actually reside in one of the five towns: Holden, Paxton, Princeton, Rutland, or Sterling. The residence of the minor child is presumed to be the legal, primary residence of the parent(s) or guardian(s) who have physical custody of the child.

**“Residence”** is the primary place where a person dwells permanently, not temporarily, and is the place that is the center of his or her domestic, social, and civic life. Temporary residence in any of the towns included in the district, solely for the purpose of attending Wachusett District schools, shall not be considered residency.

In determining residency, Wachusett Regional School District reserves the right to request a variety of documentation and to conduct an investigation into where a student actually resides. Because residency can, and does, change for students and their families during the course of the academic year, Wachusett Regional School District may continue to verify residency after the commencement of classes.

### **Verification**

Before any child is assigned or invited to attend a school in the Wachusett Regional School District, his/her parent or legal guardian must provide the following required proofs of primary residency as part of the the registration process. Applications cannot be processed without these documents. A photo ID plus these documents are required for any new student enrollment or to file a change of address.

TWO of the following documents (items cannot be from the same bullet):

- A utility bill (not water or telephone) dated within the past 60 days
- a Deed, Mortgage Payment dated within the past 60 days, or Property Tax Bill dated within the last year
- A current Lease, Section 8 Agreement
- A W2 form dated within the year or a payroll stub dated within the past 60 days
- A Bank or Credit Card Statement dated within the last 60 days
- A Letter from an approved Government Agency dated within the past 60 days

*Approved government agencies: Department of Revenue, Children and Family Services, Transitional Assistance, Youth Services, Social Security, any communications on Commonwealth of Massachusetts Letterhead.*

### **Further clarification:**

Any student who has a split residency due to joint physical custody will be granted enrollment in the district and/or allowed to remain with proof that the child is living at least 50% of the time within the district. A court document that references 50/50 custody will verify the child’s living arrangement.

This residency policy does not apply to homeless students.

Any family that is able to provide the required proofs of residency may download the registration form and other pertinent documents, complete them totally and make an appointment directly with school in which the child will be enrolled.

If your personal circumstances make it impossible for you to provide the required proof of residency, consult the Supervisor of Pupil Personnel Services at the Central Office, 1745 Main St. Jefferson, Ma , 508-829-1670 x237. You will be instructed to bring copies of any proofs of residency you have, and describe the circumstances that prevent you from having the required proofs. The Supervisor of Pupil Personnel Services will work with you, and if necessary fill out an application for appeal. All appeal applications will be reviewed by the Superintendent of Schools for the Wachusett Regional School District for a decision.

If you share housing with a friend or relative, you may use the landlord/shared tenancy affidavit to fulfill one of the proofs of residency requirements. The person that you are living with must complete the residency affidavit to affirm your residence. If you are temporarily “doubled up” with a friend or relative due to economic hardship, loss of housing, or a similar reason, you may qualify as homeless under the No Child Left Behind Act. Homeless families are not required to produce the same proofs of residency. Please contact the Supervisor of Pupil Personnel Services at 508-829-1670 x 237 for assistance in registering your child.

### **Penalties**

Families found to be in violation of the residency policy will face strict penalties, including:

- Immediate dismissal from school
- Per diem fines for the educational and related services accessed as a nonresident, which are based on the number of days the student attended school and the average per pupil cost to the district
- Possible legal action
