

Wachusett Regional School District

Preamble

PREAMBLE

WHEREAS, providing for a child's education and personal development is an enterprise that extends from the school to the home and beyond; and,

WHEREAS, success requires uncompromising effort from students and teachers, professional support from administrators and staff, care and enthusiasm from family and friends, and the resourcefulness of the community at large; and,

WHEREAS, all these members of the learning community consider themselves full partners in the enterprise - responsible to each other for the education and growth of our children; therefore,

BE IT RESOLVED, that the Wachusett Regional School District embraces and upholds these core values, upon which our mission, vision and goals are founded.
