

Welcome to the Massachusetts Conflict of Interest Law Training!

As a public employee in the Commonwealth of Massachusetts, you are required to comply with the state conflict of interest law, MA General Laws Chapter 268A. Compliance with this law helps ensure that public employees serve the public with integrity.

To address this requirement, please complete the following online MA Conflict of Interest Law Training course within 30 days of this notice.

You can access the training here: <https://mass.ethics.training.skillburst.com/>

You will be prompted to register by **selecting CREATE YOUR ACCOUNT**. **Please use your WRSD school email (if applicable) when registering.** Enter your Email, your Name, and select Wachusett Regional School District. *You will need to wait for your new WRSD email to be created before being able to complete this training.*

*Please note that not all employees are issued WRSD email accounts, such as substitutes and coaches. If you will not be issued a WRSD email account, please use your personal email address.

Once registered, you will need to complete two requirements:

- 1.State Ethics Commission Conflict of Interest Law Training**
- 2.Acknowledge Receipt of the Summary of the Conflict of Interest Law for Municipal Employees**

There are no certificates to print or pass in, we will receive everything electronically.
