

**POLICY RELATING TO PUPIL SERVICES**

***BEHAVIOR AND DISCIPLINE***

The Wachusett Regional School District shall help students learn behavior patterns which will enable them to be responsible, contributing members of society. Students will be expected to conduct themselves in keeping with their level of maturity and act with due regard for their fellow students and supervisory authority. Students shall have a right to reasonable treatment from the school and its employees and, in turn, the school and its employees shall have a right to expect reasonable behavior from students.

The principal will be responsible for administering behavior and discipline procedures at the school in accordance with District policy and school procedures. In order to assure that all students and staff are made aware of their specific rights and responsibilities, a student handbook shall be developed by each school, which defines the rights and responsibilities of students and others whose actions affect student behavior. References to all School Committee policies relating to student discipline will be included in the student handbook.

Corrective actions for misbehaviors outlined in the handbook shall be commensurate with the severity of the misbehavior. Consideration shall be given to the following:

1. age of the student;
2. mitigating circumstances;
3. previous behavior of the student; and
4. attitude of the student.

Student Handbook. The student handbook shall be reviewed annually with input sought from the school council. The student handbook shall be printed and distributed to all enrolled students and all staff members at the start of each school year. The student handbook shall include, but not be limited to, sections dealing with:

1. student rights and responsibilities;
2. student behavior and discipline; and
3. glossary of terms.

Each building principal shall be responsible for providing orientation to the handbook to all enrolled students and all staff members at the start of the school year. The provisions of the student handbook shall be applied to students in a standardized, nondiscriminatory and non-arbitrary manner.

Liability for Damages. The Wachusett Regional School District shall seek compensation for District property willfully damaged by a minor or student age 18 years or older. Civil action may be brought against the minor or his/her parents, or the individual if 18 years of age or older. All incidents shall be investigated, liabilities fixed, and all costs assessed in a nondiscriminatory and non-arbitrary manner. Schools shall be monitored to ensure that findings of liability are in accordance with District procedures in affording due process guarantees.

Corporal Punishment. Corporal punishment is prohibited. Staff shall develop alternative techniques for managing student discipline in accordance with District policy.

Searches. Wachusett Regional School District authorities may exercise their rights to conduct an inspection of student lockers and/or desks. A student shall not misuse lockers and desks assigned by school authorities. Lockers and desks remain, at all times, the property of the District.

A warrant-less search (non-emergency) of a student's school locker or articles carried upon the student's person, may be conducted if there is a reasonable suspicion that the search is necessary to protect the health and/or safety of students and staff, or to detect a violation of school rules. Such a search may be conducted if school authorities suspect that a student possesses such items as, but not limited to, weapons, dangerous instruments, stolen goods, narcotics, hallucinogenics, amphetamines, barbiturates, marijuana, unregistered drugs, controlled substances, alcoholic beverages, or evidence of cheating or other academic misconduct.

Student Suspensions. The Wachusett Regional School District shall ensure that each pupil has an atmosphere and an environment which is conducive to teaching and learning. To that end, schools shall maintain programs which maximize opportunities for learning and minimize disruptions to the educational process. The District's first concern shall be to help maintain pupils in school so that their learning process is not interrupted.

Students who create discipline problems which cannot be resolved through less severe means shall be suspended. As a last resort, the District shall, at the discretion of the

school principal, and following the required due process, deny a pupil the right to attend school for a period not to exceed ten (10) days. The principal's decision is final.

Students will have the right and the responsibility to complete all assignments and make up all tests missed during the suspension. It will be the student's responsibility to confer with teachers and to complete make-up work within a reasonable time but in no instance exceeding three weeks after the suspension expires.

Expulsion. Expulsion shall be considered an action of last resort when the behavior of the student warrants such action at the discretion of the school principal. The expulsion shall be governed by Massachusetts General Laws Ch. 71, sections 37h and 37h1/2, and Ch. 76 section 17
