

POLICY RELATING TO PUPIL SERVICES

ATHLETIC HEAD INJURY AND CONCUSSION POLICY

The safety of students is a high priority for the Wachusett Regional School District. Students who sustain head injuries while in extracurricular athletic activities and those involved in their treatment must follow the protocol based on 105 C.M.R 201.000 (<http://www.mass.gov/eohhs/docs/dph/com-health/injury/105-cmr-201.pdf>) found online on the high school and middle schools' websites as well as in the student handbooks.

Students who have sustained a head injury must be appropriately evaluated according to the protocol. In order to resume athletic activity, a medical clearance and authorization form must be submitted indicating that the student has recovered. Return to academics will be consistent with the protocol.

District administration, athletic staff, and nursing staff will review the protocol annually to ensure that it is current and reflects best practice. The School Committee will review and revise this policy as needed, but at least bi-annually.
