

POLICY RELATING TO PUPIL SERVICES

TRANSPORTATION SAFETY AND SECURITY PROCEDURES

The Wachusett Regional School District and its staff share with students and parents the responsibility for student safety during transportation to and from school. The authority for enforcing District requirements of student conduct on buses will rest with the principal.

To ensure the safety of all students who ride in buses, it may occasionally be necessary to revoke the privilege of transportation from a student who abuses this privilege. Parents of children whose behavior and misconduct on school buses endangers the health, safety, and welfare of other riders or damages properties will be notified that their children face the loss of transportation privileges. Notification of this policy shall be contained in the Student Handbook.

1. Children will be instructed as to the proper procedure for boarding and exiting from a school bus and in proper and safe conduct while aboard.
2. Emergency evacuation drills will be conducted at least twice a year to acquaint student riders with procedures in emergency situations.
3. All vehicles used to transport children will be inspected periodically for conformance with state and federal safety requirements.
4. Classroom instruction on school bus safety will be provided.
