***SEXUAL HARASSMENT***

It is the policy of the Wachusett Regional School Committee to provide an educational environment free of sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment as defined by this policy and law. Sexual harassment violates the policies of the District and also violates federal and state law, specifically Title IX and Massachusetts General Laws, C. 151C.

It will be a violation of this policy for any student to be sexually harassed by or to sexually harass another student, any employee or volunteer or other person connected with the District through conduct or communication of a sexual nature as defined by this policy. **Complaint Procedure:**

If you feel that someone has sexually harassed or is sexually harassing you, you should file a complaint by following the steps outlined below:

1. Speak or send a note to any employee of the school district whom you trust, (i.e., nurse, psychologist/counselor, teacher, principal, assistant principal, superintendent, etc.). You can also speak to your parents who can then notify the superintendent, principal or assistant principal. Remember that the complaint procedure does not start until school/District personnel receive the complaint.
2. Within two school days of receipt of the verbal complaint, the employee will notify the principal/superintendent, and your parent/guardian will be notified of the pending complaint.
3. If you have not or do not want to put the complaint in writing, the employee will do so. This should be done no later than two (2) school days after you have talked, or given the note, to the employee. The complaint has to be put in writing to make sure that the employee fully and correctly understands the issue(s). A copy of the complaint, in writing, will be reviewed with you and your parent/guardian to ensure accuracy, before it is shared with the subject of the complaint.
4. The employee will refer the written complaint to the principal/superintendent. The principal/superintendent or his/her designee may speak with you to get more information. In any case, the principal/superintendent or his/her

designee will speak to the person who is alleged to have sexually harassed you (called the “respondent”) to obtain information as well.

- a. If the principal/superintendent feels that the complaint can be resolved without a formal investigation, he/she may use the informal procedure.<sup>1</sup> The informal procedure simply attempts to resolve the situation and can be done in many ways. Examples are:
  - The principal/superintendent or his/her designee may have a conversation between you and the respondent where you can tell the respondent that the behavior bothers you and must stop.
  - The principal/superintendent or his/her designee may have you write a letter to the respondent saying that the behavior bothers you and must stop.
  - The principal/superintendent or his/her designee may have separate conversations with you and the respondent

Examples of possible resolutions are as follows:

- Verbal statements of apology;
- Letters of apology;
- Assurances that the offensive behavior will end;
- Disciplinary action.

The informal procedure will be completed within five (5) school days from the date the principal/superintendent receives the complaint. The principal/superintendent or his/her designee will notify you, your parent/guardian, and the respondent of the results of the informal procedure. Resolution of the situation may or may not occur as a result of the informal procedure. If all the parties involved in this informal procedure feel that a resolution has been achieved, this discussion will remain confidential and no further

---

<sup>1</sup> Even if the principal/superintendent thinks that the informal procedure is acceptable, you or the respondent may ask that the formal procedure be used, rather than, or after, the informal procedure.

action will be taken. If any of the parties feel that resolution has not been achieved, the following formal procedure will be used.

Investigative deadlines may be extended under extenuating circumstances such as illness.

**Formal Procedure:**

1. The formal procedure is used when any one of the following occurs:
  - a. You, your parent/guardian, or the respondent ask that the formal procedure be used;
  - b. The principal/superintendent or his/her designee decides that the formal procedure should be used; or
  - c. You, your parent/guardian, or the respondent feels that the informal procedure was not helpful or adequate and one of the parties request, within five (5) school days, that the formal procedure be used.
2. The formal procedure will be completed within twenty (20) school days of the complaint being filed with the principal/superintendent, or if the informal procedure was used, within twenty (20) school days of the request to start the formal procedure.
3. The principal/superintendent or his/her designee shall investigate the complaint and complete a written report, which will include:
  - All facts and circumstances of the incident;
  - A summary of the investigation, which will include interviews with anyone reasonably believed to have relevant information, namely, the individual filing the complaint, the respondent, and, if either party is under the age of 18, their parents (if appropriate), witnesses, and anyone else who may have experienced similar conduct;
  - A description of any actions already taken and/or proposed by the principal/superintendent or his/her designee.

***SEXUAL HARASSMENT (continued)***

Copies of the written report, including the principal/superintendent's findings, and the rationale and documentation of it will be forwarded to each of the parties involved within five (5) school days of completion of the investigation. All documentation of sexual harassment will be kept on file at the office of the superintendent.

If the principal/superintendent or his/her designee finds that sexually harassing conduct has occurred, then he/she may discipline the respondent, require the respondent to apologize to the complainant, suggest that the respondent go to counseling, or require the respondent to attend training, refer the matter for review by state or local law enforcement authorities, or any combination of the above.

Either party may appeal the decision of the principal in writing to the superintendent, within fifteen (15) school days of receipt of the findings of the formal procedure. The decision will be reviewed to ensure adequacy of the investigation and conclusions. Parties will be given an opportunity to submit additional information. The superintendent or his/her designee will make a decision and provide it in writing to both parties within thirty (30) days. The decision of the superintendent shall be final.

Other Resources:

Individuals also have the right to seek a remedy from the Massachusetts Commission Against Discrimination (MCAD), One Ashburton Place, Boston, MA 02108, (617) 727-3990, and/or the Regional Office of Civil Rights for the United States Department of Education, 222 John W. McCormack Building, Boston, MA 02109, (617) 223-9662.

Retaliation:

No one may retaliate against you for filing a complaint. Further, no one may retaliate against any student, employee, or any other person because they provided information or helped in the investigation. If any person feels that he/she has been subjected to retaliation, he/she should file a complaint with the principal/superintendent.

Considerations To Remember:

- A. A man/boy, as well as a woman/girl, may be the victim of sexual harassment, and a woman/girl, as well as a man/boy, may be the harasser.
- B. The victim may be the same or opposite sex as the harasser.

**POLICY RELATING TO PUPIL SERVICES**

***SEXUAL HARASSMENT (continued)***

- C. The victim does not have to be the person at whom the unwelcome sexual conduct is directed. The victim may also be someone who is affected by such conduct when it is directed toward another person. For example, inappropriate attempts at humor or the sexual harassment of one girl (or boy) may create an intimidating, hostile, or offensive environment for another girl (or boy) or may unreasonably interfere with an individual's educational performance.

Reference to this policy shall be included in all student handbooks.
