CURRICULUM ADOPTION

The Wachusett Regional School District Committee (WRSDC) will rely on its professional staff to design, revise, and implement instructional programs and courses of study that will support and advance the educational goals of the Wachusett Regional School District.

The Superintendent has the authority to approve new and revised programs and courses of study after they have been thoroughly studied and found to support educational goals. The WRSDC itself will consider, and officially adopt, new and revised programs and courses when they constitute an extensive alteration in instructional content or approach.

The WRSDC shall be informed of all new courses and substantive revisions in curriculum. It will receive reports on changes under consideration. The acceptance of these reports, including a listing of the high school program of studies, will constitute its adoption of the curriculum for official purposes.
