

POLICY RELATING TO EDUCATION

ENRICHMENT

The Wachusett Regional School Committee is committed to providing a high quality education for all students with the goal of maximizing the performance and achievement of every individual. Staff is encouraged and expected to use innovative teaching implementing the District curriculum in creative and flexible ways.

It is recognized that students possess a broad range of intellectual skills and creative talents that can be challenged by diverse and stimulating activities.

Wachusett Regional School District shall:

- provide opportunities for enriching activities appropriately accessible to all students;
- encourage and support staff attendance at professional development programs designed to promote the implementation of gifted and talented instructional strategies;
- promote the use of alternative strategies which may include, but are not limited to, cluster grouping, curriculum compacting, interest-based projects, independent studies, and teacher-pupil contracting, supported by appropriate classroom resources; and
- inform parents of the enriching activities available in the area of gifted education and promote parent/community involvement and participation.

This policy shall be referenced in each school's student handbook. In addition, school councils shall annually review the needs of gifted and talented students.
