

POLICY RELATING TO SUPPORT OPERATIONS

ENERGY EFFICIENT EQUIPMENT

The Wachusett Regional School District requires purchases of new equipment and appliances that are Energy Star® compliant. Products not currently covered under the Energy Star® program are excluded. A partial list of equipment covered by Energy Star® includes computers, monitors, copy machines, water coolers, printers, scanners, refrigerators, and washing machines.

In addition, the Wachusett Regional School District prohibits the purchase and use of low-efficiency products, including halogen torchieres and portable electrical resistance heaters.
